Notes

* turnover is that declared in your annual accounts filed at Companies House (or your annual accounts for the purposes for UK tax for partnerships and sole traders) for your business, or overseas equivalent. This should be adjusted to cover sales of wines, including made wines, British wine and RTDs; spirits, including lower alcohol spirits drinks substitutes between 1.2% and 15% abv; and low and no alcoholic beverages under 1.2% abv that are aimed at over 18's and marketed as alternatives to full strength alcoholic beverages. Turnover should exclude Scotch Whisky, Beer and Cider. Customs and excise duties should be included but not VAT.
